

REMARKS

The indication of allowable subject matter in claims 1-4, 7 and 9-11 is acknowledged and appreciated. Although Applicants agree that the claims are patentable, it is respectfully submitted that the allowed claims should be entitled to the broadest reasonable interpretation and to the broadest range of equivalents that are appropriate in light of the language of the claims and the supporting disclosure, without reference to the statement of reasons for allowance stated in the present Office Action.

Solely in order to expedite prosecution, claims 5, 8, and 12-14 have been canceled without prejudice and disclaimer. Thus, the rejections of claims 5, 8, and 12-14 are now moot. Accordingly, only allowable claims are pending.

Having fully responded to all matters raised in the Office Action, Applicants submit that all claims are in condition for allowance, an indication for which is respectfully solicited. If there are any outstanding issues that might be resolved by an interview or an Examiner's amendment, the Examiner is requested to call Applicants' attorney at the telephone number shown below.
